

At Hackham West Children's Centre

Our Vision

to improve learning, health and wellbeing outcomes for all children and to strengthen and empower families within our community through respectful partnerships and practices that support collaboration, inclusion and integration

everyone belongs

playing in safe hands

we value

- integrity
- partnerships
- a culture of learning
- a safe, supportive and welcoming environment
- *a leadership culture across the centre in which there is cooperation, collaboration, teamwork, commitment and stability*
- *respect- for ourselves, families, environment, colleagues, peers, and community*
